

TRI-STATE METAL ROOFING SUPPLY COLOR SELECTION CHART

LEGEND See back for panel profile, coverage, and dimensions.

★ 29 Gauge Tuff-Rib®

★ 26 Gauge Tuff-Rib®

◆ 26 Gauge Standing Seam

● 26 Gauge PBR

◆ 26 Gauge Wall / Soffit

■ Slit Coil Available

- Custom and stock trim available in all stocked colors. All trim is made in 10' lengths. We can bend any custom trims.
- Panel profile dimensions and colors are subject to change without notice or obligation to match previously purchased products. Please allow for slight variances of color and hues on printed collateral to what is on the actual painted product.
- **Painted metal samples are available upon request.**
- Some colors may be subject to availability. Call to confirm availability.

Final color selection should be made from metal color chips.
